EDUCATION

- High School graduation
95/100
- Game programming
graduation at **AIV**
- Computer Science student at
UniMercatorum

ABOUT ME

Born in 1995 in a small town near Vicenza (IT); touched for the first time a PC with MS-DOS in my grandfather's house when I was 4 and never stopped since.

Passionate about music, art and any kind of technology, but mostly interested in anything that can blend creativity and computers

WORKING EXPERIENCES

Mainstreaming

Frontend developer ~ internship ~ feb2020 - jul2020

Full-stack developer working on the creation of a control panel with analytic tools for an enterprise low-latency streaming service.

Concrete Investing

Full-stack developer ~ part-time ~ nov2020 - today

from-scratch developing of a real-estate equity crowdfunding platform, managing contacts with external web agencies, day-to-day data analysis and database maintenance, technical advising
